

Strategic Supplier Partnership between Siemens Building Technologies, Security Solutions and Bosch Security Systems

November 16, 2009

Siemens Security Solutions, a business unit of Siemens Building Technologies and a leading provider of integrated security solutions worldwide and Bosch Security Systems, today announced a strategic supplier partnership in the area of video surveillance systems.

In this partnership, Bosch will supply Siemens with a comprehensive video portfolio focusing on imaging and recording devices in the EMEA (Europe, Middle East, Africa) and Americas markets. Gert van Iperen, President Bosch Security Systems: "We are proud serving Siemens with our advanced technology and look forward to a prosperous and long term cooperation."

Leveraging the strengths of Bosch's video portfolio, Siemens can offer an even more comprehensive solution based on the current backbone of systems, which Siemens Security Solutions provide. Bosch's worldwide reach and support ensures that all products comply with local standards and regulations.

"By utilizing this combination of technical competence along with our integrative expertise, we can offer our customers the best possible security solutions for their needs," says Frank C.S. Pedersen, CEO of Siemens Security Solutions.

The Siemens Building Technologies Division (Zug, Switzerland), as a service provider and systems integrator and also as a manufacturer of the corresponding products, combines solutions and concepts for energy-efficient building automation, fire protection, electronic safety and electrical installation engineering. Due to this unique combination of activities, Building Technologies is a leading global player in the building automation market. The Division is an organizational unit of Siemens Schweiz AG (Zurich, Switzerland) and includes Siemens Building Technologies GmbH & Co. oHG (Erlangen, Germany), Building Technologies Inc. (Buffalo Grove, USA), their subsidiaries and holdings as well as all important Siemens activities in the field of building technologies. www.siemens.com/buildingtechnologies

The Bosch Group is a leading global supplier of technology and services. In the areas of automotive and industrial technology, consumer goods, and building technology, some 280,000 associates generated sales of 45.1 billion euros (\$66.4 billion) in fiscal year 2008. The Bosch Group comprises Robert Bosch GmbH and its more than 300 subsidiaries and regional companies in over 60 countries. Including sales and service partners, Bosch is represented in roughly 150 countries. This worldwide development, manufacturing, and sales network is the foundation for further growth. Each year, Bosch spends more than 3.5 billion euros (\$5.7 billion), or eight percent of its sales revenue, for research and development and applies for over 3,000 patents worldwide. With all its products and services, Bosch enhances the quality of life by providing solutions which are both innovative and beneficial.

In North America, the Bosch Group manufactures and markets automotive original equipment and aftermarket products, industrial drives and control technology, power tools, security and packaging technology, thermotechnology, household appliances, solar energy and healthcare. Bosch employs nearly 24,000 associates in more than 70 locations throughout the U.S., Canada and Mexico, with reported sales of \$8.6 billion in fiscal 2008. For more information on the company, visit www.boschusa.com.

Bosch Security Systems, Inc., a division of the Bosch Group, develops and markets a broad range of products and systems for security, video surveillance, life safety, personnel and asset tracking applications, as well as for communication and professional audio installations. Worldwide, Bosch Security Systems employs more than 11,000 associates and reported sales of \$2 billion in fiscal 2008. For more information, visit www.boschsecurity.us or call (800) 289-0096.
